Date: 14 December 2017

DECISION:

- (1) In accordance with Regulation 48 and 49 of the Solvency 2 Regulations 2015 (SI 2015/575) (the ‘Regulations’), the Prudential Regulation Authority (the “PRA”) has decided to approve major changes to the Legal & General Group partial internal model.
- (2) This approval is granted on the basis of information:
 - a. Set out in the firms’ application dated 30 June 2017.
 - b. Listed in the supplemental application documentation provided by the firm dated 13 September 2017
- (3) The detail of the approved internal model following these decisions is set out in Annex 1 (the ‘Internal Model Approval’).

Reasons for the Decision

- (4) The PRA’s assessment is that after making the changes listed above, the partial internal model met the tests and standards at the time the decision was made. Specifically, the PRA is satisfied that:
 - a. the internal model complies with the rules contained in Chapters 2 to 4 and 10 to 15 of the Solvency Capital Requirement – Internal Models part of the PRA Rulebook;
 - b. the internal model complies with the requirements set out in Title 1 Chapter VI Solvency capital requirement – full and partial internal models of the Commission Delegated Regulation (EU) 2015/35;
 - c. the systems of the undertaking for identifying, measuring, monitoring, managing and reporting risk are adequate.
 - d. the model complies with the requirements of Title 2 Chapter II Section 2 of the Commission Delegated Regulation (EU) 2015/35; and
 - e. the policy for changing the approved partial internal model complies with the rules contained in Chapter 6 of the Solvency Capital Requirement – Internal Models Part of the PRA Rulebook.

ANNEX 1

Internal Model Approval - The approved Internal Model

Definition

- (1) The approved partial internal model is as set out in the internal model application documents submitted to the PRA and listed at Table 1
- (2) The internal model is approved to partially calculate the consolidated Group SCR at the level of Legal & General Group Plc. The entities with a “Yes” in the Group SCR column in table 2 are those which are included in the model in order to calculate the Group SCR.
- (3) Entities not included in Table 2 that are included in the calculation of the Group SCR using method 1 (Consolidation) on the basis of the standard formula are integrated with the partial internal model using the integration technique 1 as set out in Annex XVIII of the commission delegated regulation (EU) 2015/35.
- (4) The internal model is approved to calculate the individual SCR for those entities with a “Yes” in the Solo SCR column in table 2.
- (5) Subject to 2 to 4 above, the model is approved to calculate the consolidated Group SCR as the level of Legal & General Group Plc and the individual SCR for each entity indicated in respect of all material and quantifiable risks as at the date of this notice.
