
WRITTEN NOTICE

REVERSION TO STANDARDISED APPROACH PERMISSION

To: Sumitomo Mitsui Banking Corporation Europe Limited
("the firm")

Reference Number: 5289767

Date: 15 January 2020

DECISIONS

1. On 06 December 2007 the firm was granted an IRB waiver under s138A of the Financial Services and Markets Act 2000 (the "Act") by the Prudential Regulation Authority ("PRA"). In accordance with Waivers Transitional Provisions 2.1(2) of the PRA Rulebook the firm's IRB waiver took effect on 1 January 2014 as permissions granted by the PRA under Chapter 3, Title II, Part Three of Regulation 575/2013 of the European Parliament and of the Council of 26th June 2013 on prudential requirements for credit institutions and investment firms (the "CRR"), being the "IRB Permission".
2. In accordance with the discretions afforded to the PRA by Article 149(1) of the CRR, the PRA has decided to grant the firm the permission to revert to use of the Standardised Approach to calculate their own funds requirements for credit risk (the "Standardised Reversion Permission") and the IRB Permission will therefore cease to have effect.
3. If the firm ceases to comply with the conditions for grant of this Standardised Reversion Permission set out in Article 149(1) of the CRR, the terms and conditions of the Standardised Reversion Permission set out in paragraph [5] the PRA will re-consider the terms and conditions of the Standardised Reversion Permission and the requirements relevant to it, including a revocation of the Standardised Reversion Permission in whole or in part.
4. The Standardised Reversion Permission takes effect on 15/01/2020.

Laura Winchester

Head of Division, Investment Banks Division

TERMS OF THE PERMISSION

5. The firm is granted the Standardised Reversion Permission on the basis that it has demonstrated to the satisfaction of the PRA that it complies with the conditions of CRR article 149(1).
