Date: **15 September 2020**

DECISIONS

1. In accordance with the discretions afforded to the PRA by Article 352(1) of Regulation 575/2013 of the European Parliament and of the Council of 26th June 2013 on prudential requirements for credit institutions and investment firms (the “CRR”), the PRA,
 - a. has decided to grant the firm the permission to use its own calculations of delta in its calculation of own funds requirements for market risk in respect of foreign exchange and gold options in the overall net foreign exchange position on the terms and conditions set out in Annex 1 (the “Net FX Delta Permission” – as per Written Notice 5176767).
 - b. has decided to grant a further permission extending the use of the “Net FX Delta Permission” by the firm. This Written Notice replaces 5176767.
2. If the firm ceases to comply with the conditions for grant of this Net FX Delta Permission set out in Article 352(1) of the CRR, the terms and conditions of the Net FX Delta Permission set out in Annex 1 the PRA will re-consider the terms and conditions of the Net FX Delta Permission and the requirements relevant to it, including a revocation of the Net FX Delta Permission in whole or in part.
3. The Net FX Delta Permission takes effect on 15 September 2020.

Note on disclosure

The PRA has decided not to publish the full text and annexes of this Net FX Delta permission notice to the Financial Service Register Site as it has been deemed inappropriate and unnecessary. In particular, to do so might prejudice, to an unreasonable degree, the commercial interests of the firms concerned.

However, in the interests of transparency, the PRA's policy is to publish an abridged version of the permission notice, as a record that the Net FX Delta permission has been granted.
